Applies To: **ALL 1996 and later vehicles** **December 1, 2011**

MVCI Hardware Update and Warranty Information

INTRODUCTION

Our existing inventory of the MVCI OBD-11 16P (DLC cable), P/N OTC 382532, will be upgraded with a more robust 16-pin DLC connector beginning the week of December 5, 2011. These cables will be warranted for 24 months from the date of purchase. Once the inventory of the current DLC Cable is depleted, it will be replaced in the MVCI Kit by the more robust cable, P/N OTC 382532B.

DLC CONNECTOR

The warranty for the original DLC cable, found in the MVCI kit, has been extended from 12 months to 24 months from the date the kit was purchased.

If you purchased a replacement DLC cable (P/N OTC 382532) because your original DLC cable failed outside of the original 12 month warranty, you will receive credit for that purchase within the next 60 days. In addition, the replacement cable is warranted for 24 months. If you purchased a cable and don't believe you received a credit, contact the Honda Tool and Equipment Program at **1-888-424-6857**.

For all future warranty related returns, please call the iN Support Center at **1-800-245-4343**.
